Dear Mr. Fiedler,

On behalf of the Dubuque County Conservation Board, I would like to express our sincere appreciation for your donation of prairie seed and seedlings to improve habitat in your County areas. The continued efforts of your chapter have greatly improved habitat for all species of wildlife and the recreational opportunities for visitors. These improvements would not have been possible without the support of your group.

I would also like to express how fortunate we are to partner with the Dubuqueland Chapter. The accomplishments of your chapter are quite remarkable. Your work educating youth, the willingness of members to give their time and the Dubuqueland Chapters commitment to improving our natural resources is why you are the most impressive organization I have had the privilege to work with. Thanks again for all your efforts and we certainly look forward to working with you in the future.

Sincerely,

Brian Preston, Director
Dubuque County Conservation Board
